WHO WE ARE

Rotary is a global network of 1.4 million neighbors, friends, leaders, and problem-solvers who see a world where people unite and take action to create lasting change – across the globe, in our communities, and in ourselves.

Solving real problems takes real commitment and vision. For more than

110 years, Rotary's people of action have used their passion, energy, and intelligence to take action on sustainable projects.

From literacy and peace to water and health, we are always working to better our world, and we stay committed to the end.

PRESIDENT'S MESSAGE

Congratulations to the Rotary Club of Truro Yearbook Committee on another successful edition for 2026! This is the Club's 23rd year of publishing this yearbook.

The funds raised from this publication, and through our many community supporters, directly impacts our local community through small and large projects. Thank you to all our advertisers for their continued support of this project.

The Rotary Club of Truro is made up of dedicated members from our community interested in spending their time fundraising, supporting their local community, planning events, and having fun while doing so. If you are interested in joining our club or participating in one of our events or fundraisers, please contact us. I encourage you to consider learning more about Rotary, attending one of our weekly lunch meetings on Monday at NSCC, or joining our club as a member.

This past year was a busy year for our Club. We participated in the Santa Claus parade, Truro Pride parade, highway cleanup, and many other events and initiatives. We hosted a Charter lunch to celebrate our anniversary and award local volunteers and club members. We supported those in need abroad through Shelter Box and other global programs. We raised money to end polio. We participated in a youth leadership conference and sent local students to Ottawa to participate in the Adventure in Citizenship program.

Once again, the Rotary Club of Truro Foundation supported numerous

Adam Harris

President
2025/2026

families in Colchester County with the Christmas Index program. We provided gifts for children who otherwise might not have had any presents for the holidays. Thank you to the committee, volunteers and all those who supported families!

Our newest fundraiser launched in 2025 – the Rotary Adventure Club. In conjunction with two other Rotary Clubs in Nova Scotia, we are selling tickets again for 2026. This is a travel lottery where six amazing adventures are available to be won, in addition to cash prizes. Only 1,000 tickets are available and the draw for prizes will be in April. If you missed getting a ticket for 2026, keep an eye out in the fall of 2026 when we will be launching the lottery again for six new amazing adventures to be drawn in 2027. One hundred percent of the proceeds from tickets sold will go back into supporting this community.

Looking ahead, this year is the 100th anniversary of the Rotary Club of Truro – certainly something to celebrate! Our Charter Night will take place on April 24th. This will be a gala dinner and event that is sure not to be missed. We will also hold events throughout 'Rotary Week'. Stay tuned for more details. We welcome everyone to participate in celebrating this milestone with our club and members.

In closing, I want to thank our members and volunteers as well as the team of Directors on our Board for supporting me in this role and ensuring that our club has continued success as we celebrate 100 years.

WHAT WE DO

Rotary members believe that we have a shared responsibility to take action on our world's most persistent issues. Our 46,000+ clubs work together to:

- Promote peace
- Fight disease
- Provide clean water, sanitation, and hygiene
- Support mothers and children
- Support education
- Grow local economies
- Protect the environment

OUR MISSION

We provide service to others, promote integrity, and advance world understanding, goodwill, and peace through our fellowship of business, professional, and community leaders.

VISION STATEMENT

Together, we see a world where people unite and take action to create lasting change — across the globe, in our communities, and in ourselves.

100 YEARS

This year we celebrate a century of action in our community. Since 1926, the Rotary Club of Truro has supported hundreds of projects in Truro, Colchester County, and beyond that help and empower, youth and marginalized groups. Here are just some of the projects that Rotary has been involved with.

We've supported Camp Tidnish (the only barrier free and fully accessible summer camp for Nova Scotians living with disabilities) for almost a century.

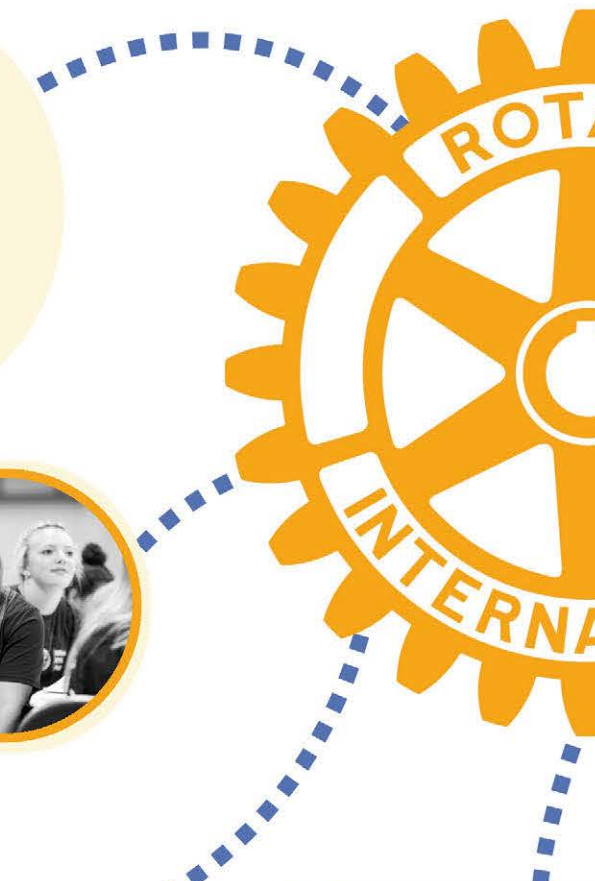

Investing in our youth has always been a priority, we continue to do this through bursaries, STRIVE, Adventure in Citizenship, and RYLA programs.

In 2005, the Club committed \$100,000 to the construction of the new Colchester Community Workshop, now known as Rotary House.

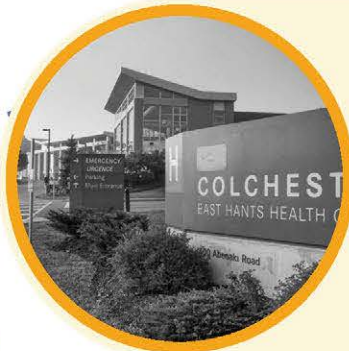

The C
delive

and te
Count

OF CARING

Eradicating polio has been a focus of Rotary since our club was established, and remains an important mission to this day.

We've supported community healthcare since the 1930s, setting up community clinics and providing support for children with disabilities, and most recently contributing \$100,000 to the construction of the new hospital facility.

We donated \$60,000 to the construction of the Portapique Community Centre, and provided hundreds of hours of manpower for work parties for the project. .

Rotary believes in supporting people with disabilities in all areas of their lives, this sit ski we donated to Ski Wentworth is just one example.

REFLECTIONS & HIGHLIGHTS

Fun times at the Downtown Truro Christmas Parade. Thank you to everyone who made donations to the Holiday Index Program supporting hundreds of local families.

The Rotary Club of Truro was well represented in this year's Pride Parade!

In May, the Rotary Club of Truro hosted youth from NS, NB, PEI and Maine for a Rotary Youth Leadership Awards training session. Thanks to the Maxwell Leadership Foundation for their support.

- ▲ A Rotary Friendship Exchange was organized between Rotary District 7815 (NB, NS, PEI and St.P&M) and District 4455 in Peru. 11 Canadians, including Joanna McGowan and her husband Roger Levesque experienced Peruvian culture, ancient civilizations and made many friends in late February. The Peruvian contingent visited the Maritimes in June, and many went on to the International Rotary Convention in Calgary.

- ▶ This year, we are excited to be able to contribute \$7500 towards Colchester East Hants Public Library new Library Van.

Les Mosher was a lifelong member of Rotary Club of Truro, serving as president and earning the Paul Harris Fellowship Award in 1993 (plus three additional recognitions). Over the years he held many positions within the our club and his experience and quick wit will be greatly missed. We are incredibly grateful for his lifetime of contributions to our community.
